Friends of Kirkby Gallery & Prescott Museum

Kirkby Gallery is one of the best contemporary art galleries in the North West of England. The gallery stages 3 - 4 major exhibitions per year, all of which are supported by a robust educational offer for young people, families and adults. The exhibition programme is as broad as it is interesting, guaranteeing a creative escape for everyone.

Prescot Museum is located within The Prescot Centre building in Prescot's Indoor Shopping Centre. It focuses on the local history of the area including the important clock and watch making industry.

The **AIM** of the 'Friends of the Kirkby Gallery & Prescot Museum' is to give those with an interest in the arts, the opportunity to support the activities in the Gallery and the purchase of new works and the further development of the Gallery and Prescot Museum whilst enjoying the benefits of its service, which include:
