Kirkby Gallery & Prescott Museum

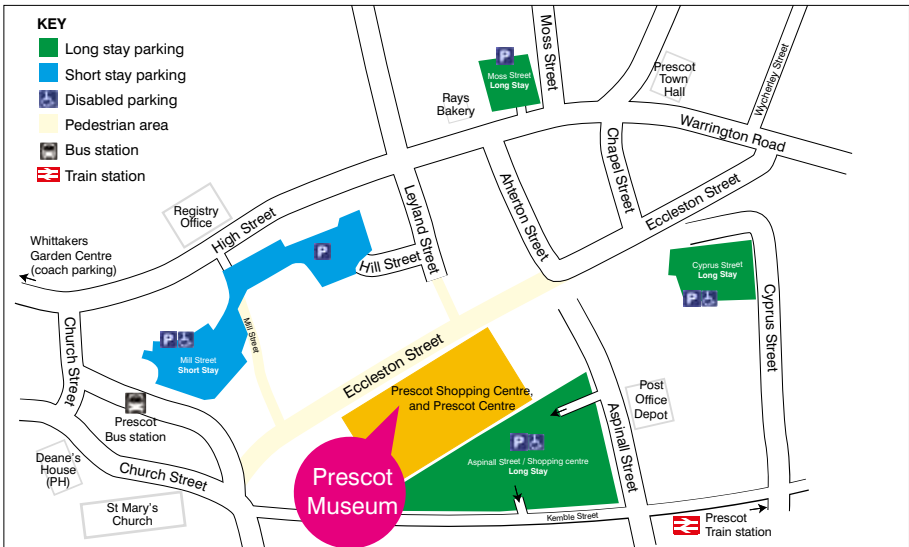

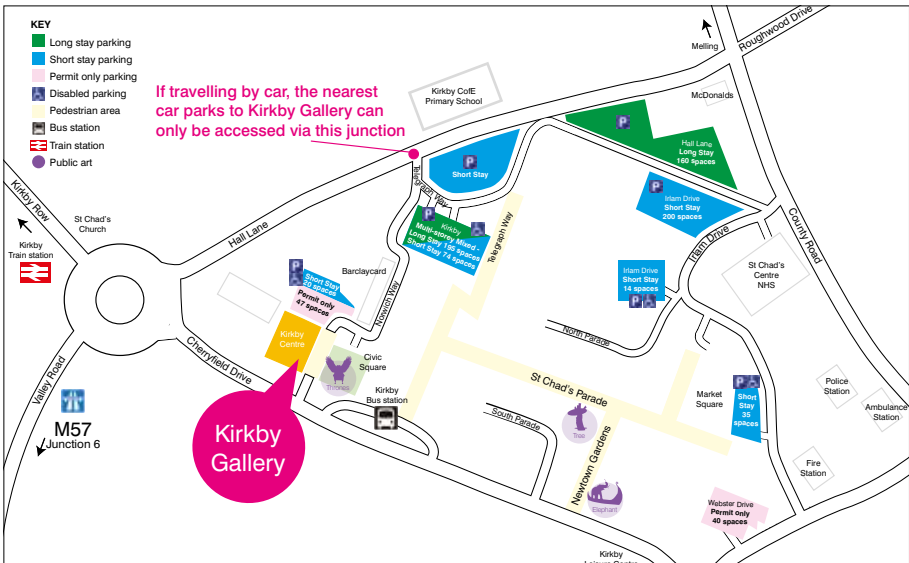

Kirkby Gallery is one of the best contemporary art galleries in the North West of England. The gallery stages 3 - 4 major exhibitions per year, all of which are supported by a robust educational offer for young people, families and adults. The exhibition programme is as broad as it is interesting, guaranteeing a creative escape for everyone.

Prescot Museum is located within The Prescot Centre building in Prescot's Indoor Shopping Centre. It focuses on the local history of the area including the important clock and watch making industry.

The **Friends of Kirkby Gallery & Prescott Museum** was established in June 2017, with the objectives of our organisation being 'the education of the public by the promotion, support, assistance and improvement of Kirkby Gallery and Prescott Museum and its cultural and educational activities'. We most critically, aim to ensure we support and serve the immediate communities of the borough of Knowsley, providing activities which are open and accessible to all. This is core to all that we seek to do; to ensure that there is always a free educational and creative set of activities for all, especially families, enabling the young and the elderly and those on low or with no income to engage with culture.
